World Of Toys and Noise--The--

1920 Opening of Our Toytown and Doll City

---Saturday, December 4---

The mere announcement that Korrick's Toytown and Doll City is to open should be glad tidings to the thousands and thousands of little folks hereabout. And even the grown-ups will welcome this news, for who would not appreciate the opportunity of making the children happy.

And Toytown and Doll City Are Bigger
and Brighter Than Ever Before

Almost our entire Third Floor harbors Toytown and Doll City this year. Lavish preparations in the matter of decorations and displays have been made. And such an abundance of toys! There are toys for boys--toys for girls--educational toys, mechanical toys and every other kind that you can think of. Dolls? Why there is an army of them. In fact, Toytown and Doll City at Korrick's is the very workshop of Old Kris Kringle himself. Come--wander up and down the aisles--feast your eyes on the myriad things assembled here to gladden the hearts of children. Choose if you like. We welcome you with open arms.
